**Why:** There are national days of recognition on our calendar that throughout the year remind us to celebrate, remember, honor, and recognize events and people. One day that is important to Yolo Community Foundation is Yolo County Philanthropy Day, November 14<sup>th</sup>. In an effort to bring attention to and focus on the significant assistance individuals give to community-based organizations, Yolo County Philanthropy Day Awards was created. Yolo County Philanthropy Day brings attention to the entire spectrum of services provided by the nonprofit community and recognizes the profound impact that philanthropy has on the fabric of society. This special day focuses on those individuals who donate their financial resources for the enrichment of the community and the world in which we live. Remarkably, between 70% and 80% of households nationally make a gift to one or more charities annually.

Yolo Community Foundation and nonprofit organizations would not be able to change the lives of the individuals it serves without the generous donations and financial support of the citizens of Yolo County. We know that philanthropic giving is a choice. Our donors share in and support charities that make a difference. Helen Keller said it best: "Alone we can do so little, together we can do so much." The Yolo County Philanthropy Day Awards recognizes this motto. When individuals pull together to support a cause, their impact is much greater than if they were acting alone.

Individuals in Yolo County serve the community through participating in community activities, volunteering for local organizations or financially supporting nonprofits. Although these contributions may

sometimes go unnoticed by the larger public, these individuals and their donations of time and money are the life-blood of nonprofit organizations throughout the area.

To everyone who contributes to Yolo Community Foundation or any nonprofit organization in the area, this event will say "thank you!" "Thank you for helping to make Yolo County a better place to live. Thank you for helping others achieve their dreams. Thank you for giving of yourselves!"
